

April 13, 2002

Vol. 1, No. 24

We provide a prompt, professional, personal one-on-one tax preparation service from the comfort of your home or office. We are competitively priced; in addition we offer a number of additional services as well as comprehensive information from our web site - <http://www.taxlogic.com>.

The dreaded day is almost here. If you still have not done your tax return, we can still prepare it for you and get it to you before the filing deadline of April 15, 2002. However, if you just can't get it done beforehand, we are listing all the different types of extensions that must be filed by then, along with any payments that are due. Remember filing an extension, only relieves you of the failure to file penalty, but it does not relieve you of the late penalty for not paying your taxes.
